

Privacy Policy

Effective Date: April 19, 2026

1. Introduction

Welcome to Hunting Manager, provided by Hunity Ltd. This Privacy Policy explains how we collect, use, disclose, and safeguard your information across our ecosystem, which includes both **Hunting Manager Pro** (for hunting grounds owners and administrators) and **Hunting Manager Individual** (a cloud-based web application for individual hunters).

2. Information We Collect

The information we collect depends on the service you are using:

- **For Hunting Manager Pro (Domain Administration):** We collect data entered by Domain Owners, including hunters' names, contact details, assigned hunting stands (miradors), hunting performance, and licensing/legal information (firearm and game licenses).
- **For Hunting Manager Individual:** When you create an account, we collect your name, email address, password, and profile information. We also store the user-generated content you choose to upload, including hunting records, statistics, photos, videos, and your connections ("Friends").

3. How We Use Your Information

We use the collected data to provide and improve our services:

- **Hunting Manager Pro:** To help domain owners organize hunts, manage livestock, track hunter performance, verify legal licenses, and manage domain sales/expenses.
- **Hunting Manager Individual:** To securely store your hunting records and media, calculate your hunting statistics, and facilitate the sharing of records and photos with your approved friends.
- **General:** To securely authenticate users, provide customer support, and communicate important system or subscription notices.

4. Data Sharing and Disclosure

We do not sell, rent, or trade your personal information. Information is disclosed only under the following circumstances:

- **Within Hunting Manager Pro:** A hunter's profile and hunt data within a specific domain are visible to the administrators of that domain.
- **Within Hunting Manager Individual:** Your photos, videos, and hunting records are private by default but can be seen by other users if you actively choose to share them or connect with them as "Friends".
- **Legal Compliance:** We may disclose data if required by law, legal process, or lawful requests by public authorities.

5. Data Security

We implement robust technical and organizational security measures to protect your data (including personal records and uploaded media) against unauthorized access, alteration, disclosure, or destruction. This includes secure cloud hosting, encrypted transmissions, and strict access controls.

6. Access to Your Information

Individual App Users: You may review, edit, or delete your account, records, and media directly through the Hunting Manager Individual application settings.

Pro App Hunters: If you participate in hunts managed by a Domain Owner via Hunting Manager Pro, your data for those specific events is managed by the Domain Owner. You must contact them directly to update or remove local administrative records.

7. Changes to this Policy

We may update this Privacy Policy to reflect changes in our practices or applicable laws. Any material updates will be communicated through the platform or via email.
